GENERAL INFORMATION

Accommodation and Duty of Care

Parents of regional students please note that you must make accommodation and duty of care arrangements for your child while in Brisbane for SHEP Queensland.

Attendance

All participants must be able to attend for the full four-day period. Participating in the **State Honours Ensemble Program - Queensland** is a major commitment and students are **required to attend all rehearsals**. **Please do not ask to be excused from any rehearsal for ANY reason other than a tertiary interview and audition or medical reason.** We have very little time to prepare lots of music; you are needed at each and every session. **Participants choosing to leave for any period of time during SHEP, for any reason other than medical grounds or university auditions (SHEP Staff are to be notified via email by Monday 30 September) choose to withdraw themselves from the remainder of the program.** Participants are expected to make themselves available for the concert performance time allocated on Sunday 6 October. Participants will not be permitted to leave their allocated venues during the SHEP daily program. Participants auditioning for positions with a tertiary institution in Brisbane will be granted permission to leave for these appointments only.

Behaviour

Please remember that you are representing your school throughout the event. Inappropriate behaviour will not be tolerated. Open Conservatorium reserves the right to exclude from the State Honours Ensemble Program any participant who, in its opinion, places in jeopardy the safety or rights of others, or who appears to have rejected the reasonable controls placed upon them by the management and staff of the program. In this circumstance there will be no refund of any fees paid by the participants excluded from the program.

Certificates of Participation

Certificates of Participation will be posted to the nominating teacher within two weeks of the program concluding. We envisage these being handed out to participants during end of year school presentations or next school assembly.

Desking Placements

When accepting nominations for SHEP Queensland the Artistic Director acknowledges that the teacher has the best idea of the student's standard. In being accepted for SHEP Queensland the student must be aware that the SHEP Queensland administration team uses the levels presented by teachers to locate students in ensembles. In doing so the requirement for balance and depth of ability in an ensemble is taken into account. That means two things; 1) some of the higher ranking students will be playing second and third parts, and 2) sometimes ability levels may be under or over estimated by teachers and that may mean some relocation in seating as the rehearsal period progresses. Students must be aware that their location in the ensemble is for the best benefit of the ensemble, and therefore the best outcome for themselves during SHEP Queensland. Desking placements will be flexible throughout the first day and as required and thereafter. Conductors and conductors' assistants will make any changes as required and ensemble members are asked to assist with this. Students please note that conductors may also rotate positions/parts.

Discrimination/Harassment

Queensland Conservatorium is committed to providing an environment that is safe, fair, and free from discrimination and harassment for all students attending State Honours. Discrimination is defined as unfair or inequitable treatment on the basis of a person's race, colour, sex, sexual preference, age, and disability, ethnic or national origin, religious or political affiliation. Harassment is defined as behaviour, comments or images, that are unwelcome, offensive or intimidating, and that, in the circumstances, a reasonable person should have expected would be offensive or intimidating.

Duty of Care

Queensland Conservatorium cares and acknowledges the broad principles underpinning the duty of care obligations imposed on educational institutions. The principles include those of a general nature, standard of care and parameters of duty of care. Students are requested to observe guidelines and instructions as advised by staff at all times. Please be aware that staff will be on duty from the arrival time to 20 minutes post the end time listed in the schedule - on site at each venue. Please be aware that staff are unable to deliver/collect participants from nearby areas (eg train/bus stations, roadside pick-ups) due to the number of participants involved in this program. Duty of care to students and families is limited to the Queensland Conservatorium Griffith University; and when applicable any other venue.

Ensemble Allocations

Ensemble names are drawn from Australian composers.

Wind: Students have been placed in four equal wind ensembles. Wind ensembles have been structured to ensure the same standard of performers is allocated to each ensemble.

String: Students have been placed in one of two equal string orchestras and a Celtic string ensemble.

Vocal: Students have been placed in either an SATB or SSA ensemble.

Guitar: Students have been placed in one guitar ensemble

Symphony Orchestra/Big Band: Students were invited to audition for this ensemble

Evacuation Procedures

Students should expect a standard evacuation/fire drill procedure. Conductors' Assistants may also brief students on designated exit and regrouping areas in the event evacuation of the building is required.

First Aid/Medical

Should students require assistance with administering medication during the program, written requests must be received by the Monday of the week of the program. A First Aid Officer will be on site at all times during the program should students require assistance.

Music Issue

Students will be issued with music on arrival on the Thursday. Please take care of your music and return your music folder (with music) to the allocated staff member at the end of each day and the concert. All music remains the property of Queensland Conservatorium Griffith University. Some music is on loan/hire from national libraries and is irreplaceable. Students are asked to take extreme care with all music issued, and not write on/tear/damage it.

Parking

Street parking around South Bank is limited. Off-street parking is available at SW1 - Secure Parking in Cordelia Street (South Brisbane), the Queensland Performing Arts Complex (QPAC), Brisbane Convention and Exhibition Centre and South Bank Parklands. Due to activity occurring in and around the South Bank precinct there is limited set down/collection access for the Queensland Conservatorium. A set down area is available on Russell Street in front of the ABC building adjacent to the Queensland Conservatorium.

Public Transport

Queensland Conservatorium Griffith University is diagonally opposite the South Brisbane Train Station and within easy walking distance of the Cultural Centre Busway and South Bank City Cat stops. Brisbane State High School is within walking distance of Queensland Conservatorium.

Refunds

Please note that SHEP Queensland fees are non-refundable. A certified medical certificate must accompany refund requests due to illness from a general practitioner. **Refunds are generally not given for withdrawal from the program.** Refund requests will only be considered when accompanied by a medical certificate. Any refund will attract an Administration Fee of \$50.

Venue Allocation - SHEP Queensland

Queensland Conservatorium Griffith University, Brisbane State High School, Brisbane Convention and Exhibition Centre, QPAC

Where practical the venues are rotated to give students equitable use of the various facilities at Queensland Conservatorium and the arts precinct at South Bank (when applicable). All students at these venues are to arrive and depart from the staircase and/or foyer of Queensland Conservatorium; unless otherwise noted on their Schedule. Parents are asked to drop-off/pick-up participants as directed by the schedule; or if public transport is being utilised - the South Brisbane Train Station and South Brisbane Busway are within easy walking distance to these venues.
